

**Multi Job Posting Plus  
Applicant Tracking**

# Jobmate+ Multi Job Posting Software from Recruitive

Jobmate plus, our Multi job posting software allows users to post job vacancies to multiple marketing avenues; job boards (premium and free to post), social media, and direct to your careers website through one submission, saving precious time in administration.

With one click, Jobmate posts to a large range of paid and free jobs boards including:

# Jobmate Features and Benefits

## Jobmate Plus Features

-  **Quick Deployment**  
System implemented within 24 hours
-  **Cost Effective**  
Affordable recruitment software
-  **Time Saving Efficiency**  
Streamline your process and post jobs with just a few clicks. Save time and allocate your resources where they matter most.
-  **Support**  
A dedicated team of support staff is available 24/7 via online video clips, Q&A sheets and a live Chat bot.

## Multi Job Posting Features

-  **Consistent Branding**  
Maintain consistent branding, whether it's a standard job listing or a customised, branded job advertisement.
-  **Maximise Your Reach**  
Instantly broadcast your job openings to over 200 job boards and your own website. Cast a wider net and attract a diverse pool of top talent from various platforms.
-  **Faster Time to Hire**  
Reach a larger talent pool and increase the chances of finding the perfect candidate quickly. Fill positions faster and minimise downtime.
-  **Advert Management**  
Track where you have posted an advert and when it is due to expire. You can repost if required. Set release dates for jobs to be published.
-  **Career Websites, Branded Job Page**  
The system includes a fully branded jobs page, and you can upgrade to a full career website.
-  **Website Integration**  
We can integrate with your own website and new job boards
-  **Quota Management**  
Manage all Job Board credit allocation by user, team, branch or date. Ensure you or your employees never overspend. Allocate certain job boards to individuals, teams.
-  **Advert Approval**  
This option ensures that all job advert wordings are approved by a senior member of your staff before being submitted.

## Applicant Tracking Features

### Applicant Tracking Functionality

Keep tabs on all applications with ease and make it simple to track applications from various job boards. Stay organised and make informed hiring decisions.

### Response Reporting

Full reporting including trends, response tracking, Sector profile and activity reports. Customised reports to your exact requirements also provided.

### Talent Pool

Search through your own Talent Pool of previous applicants.

### Simplified Workflow

By using a single platform for postings, and applicant tracking you can eliminate the need for manual data entry and reduce administrative burden.

### Response Tracking

Track which boards are producing the best results and the most CV's to manage your return on investment.

### Enhanced ATS Features

Upgrade from JobMate + or talk to us about our end to ATS including Careers Websites, Interview Scheduling and Onboarding, plus much more.
